

HOLIDAY TIPS FOR THE WEARY SHOPPER!

Are there people on your shopping list who seem to have everything?

Why not give them a school? A one classroom school house, teacher, workbooks and supplies for an entire twelve month school year for 30 rural poor children \$ 750.00
ADD a nutritious snack each day for each child \$ 300.00

Do you struggle to find a unique gift for a co-worker?

Who wouldn't like to know that they are helping a house-bound widow start a small business and become self sufficient by providing her with a unit of 10 ducks or 10 chickens for eggs \$15.00
Or, a pair of goats to provide milk and offspring for sale \$30.00 a pair

What to give to a teacher that shows how much you value her?

Honor her teaching skills by educating 1 student for an entire year \$25.00
Or, providing 10 days training for 2 teachers in rural Bangladesh \$31.25
OR, training classes for 3 people for 2 weeks in silk farming/poultry farming \$67.00

How can you give a gift that keeps on giving?

Purchase 10 decimals (1/10th of an acre) of land for a poor family displaced by floods to relocate and begin again using the land to live on, raise chickens or goats and/or a vegetable garden to nourish the family and have produce to sell. \$600.00

You can give a gift of life when you provide pure drinking water to five families!

A simple tube well can deliver safe, pure drinking water to as many as five families. Everyone needs water but not everyone has the opportunity to have safe water. Give this gift for \$30.00

Give hope with a micro credit loan!

Hope and dignity are fueled by work. The opportunity to develop a small business or buy a small piece of land to farm can be the beginning of a pathway out of poverty and future financial independence. An average loan for a family \$50.00

Be sure to include your name & address and the names & addresses of the recipients in the enclosed envelope and we will send a card in your name notifying them of your gift.
